

<p>3. EC's future priorities...</p>	<p>EC's worked together to develop a new Eco checklist for their classrooms.</p> <p>3. EC's are interested in ways our school could use solar panels &amp; wind turbines to help cut energy costs.</p>	<p>EC's to take on the responsibility of monitoring their classes Eco awareness by tallying the checklist everyday each week over the term &amp; then reporting back at the next EC meeting.</p> <p>3. EC's to research &amp; feedback on renewable energy sources/options at the next EC meeting.</p>
<p><b>Next meeting:</b> Summer - Term 6 - June/July 2022 - date and time TBA...</p> <p><b>Future meeting focus:</b> EC's reporting back on their use of the new Eco checklist for classrooms in anticipation of setting up an 'Eco class of the month' award with certificate and prize (TBA e.g. a house plant with a recycled pot?) for next academic year.</p>
